

10th of May 2014

1. Internship at Charite

Feedback from Sandra and Afua

- responsible for own field of duty
- shift change in German, nobody translate in English
- no tutor, who is responsible for the whole internship
- nothing new in comparison to Ghana
(possible reason: during job training in Ghana students are at different hospitals)

Questions:

- possible to take of the last week of the internship ?
- appointed date for the end of the internship ?

2. Accommodation for Sandra

- has to leave the flat at 29th of May --> please find a solution maybe until around the 21th of May

3. following meetings

Wednesday, 14th of May:

at 11.00 o'clock, Franziska will send the address of the meeting

Main Topic: Platform

- structure
- own interest, which subtopic

- Afua will bring the old curriculum

Tuesday, 20th of May:

at 11.00 o clock, University library

Main Topic: rough structure of the platform

from 27th of May until 30th of May daily meetings, probably at the university library

4. Southphase

a) Working situation

Afua: will work in Tapa during the whole southphase

- start of work 20th of July
- weekend off
- work as a hospital supervisor

Sandra: supposed to work in Accra, she is the only midwife at her school

- meetings in Tapa possible for a few days
- already asked the direktor about working situation, is waiting for an answer

b) Plan for the south phase

- Arriving at beginning of August

1. Accra

- **one week** for Orientation etc.

2. Tapa

- **three to four weeks**
 - participate at lessons in midwifery school
 - Internship at hospital/ maternity centre/ community midwives
 - either weekly change or change every second or third day during the week

3. Platform

- **one to two weeks**
 - work on the platform
 - location- independent

4. Accra

- **three to four weeks**
 - participate at midwifery school
 - Internship at hospital/ maternity centre/ community midwives
 - either weekly change or change every second or third day
 - meetings for the platform at Kumasi

Questions:

- presentation about platform or "german" midwifery/ healthsystem at schools?
- Can we use the student housing in Tapa and Accra?

5. general questions

- How many travelreports during the north and south phase for HITA
- by when you need the report about "international midwifery day" and "Breefing in Frankfurt"
