

## Protocol 26.05.2014

### 1. Flashlight / News

- a) Sandra is moving out on Wednesday 28<sup>th</sup> of May and goes until Saturday to Hamburg, searching for a place where she can stay for the days before and between Prague and ASA- Seminar
- b) Manuela called Geburtshaus Treptower Park if Sandra could share the internshipplace with her. It is possible: just have to share the three weeks. First half Sandra, second half Manuela
- c) new Plan for the platform and that the structure for the subtopic should be almost done in two weeks (phonecall Joanna: Protocol 20<sup>th</sup> of May)

### 2. Platform

- a) Subtopic to show in two weeks:

#### **Delivery of placenta and membranes**

- in Curriculum:
- Content of Labor:
  - 2. Physiology and management of the third stage of labour
    - b) Delivery of placenta and membranes
      - Active management
      - Passive management
      - Examination of placenta and membranes
    - I) Examination of the genital tract
    - II) Assessment of blood loss
    -

- b) Timetable:

- Until tomorrow, Tuesday 27<sup>th</sup> of May, recherche in Internet for notes, videos, tools etc.

- Until Wednesday, 28<sup>th</sup> of May, rough structure, also made during Meeting on Wednesday

### 3. Bochum:

#### a) some changes for the presentation:

- use scales from Joanna's presentation from the international midwifery day
- additional to "Midwifery education in Ghana" also:
  - how many births in hospital, at home, at community
- Painmanagement, how women show the pain, difference between north and south
- husbands, family coming to hospital ? Influence of family
- sandwich course, Bachelor of Midwifery at Germany and Ghana the same time

#### b) explanation how the system with Bachelor and Diploma works in Ghana

#### c) Timetable:

- until Wednesday, 28<sup>th</sup> of May, full presentations of the single parts
- on Wednesday, 28<sup>th</sup> of May meeting, put all single parts together for full presentation

### 4. To do List and Timetable:

1. until Tuesday, **27<sup>th</sup> of May**, recherche for subtopic
2. until Wednesday, **28<sup>th</sup> of May**, rough structure of subtopic
3. until Wednesday, **28<sup>th</sup> of May**, single Parts of PowerPointPresentation for Bochum, are done

4. **as fast as possible:**
