

Protocol 27.05.2014

1. Flashlight / News

- a) Sandra has a room in Berlin, between Prague and ASA- Seminar and Hamburg and Prague
- b) Manuela and Sandra are sharing the internship at Birthinghome, Sandra will go the first half and Manuela the second half of the internship

2. Platform

Spilt of the Subtopic: **Delivery of placenta and membranes**

- Active management (Afua, Manuela)
- Passive management (Franziska, Sandra)

Decisions:

- put everything in the subtopic, which is related to it:
 - put the anatomy and physiology in it,
although it's a separate topic at the curriculum
 - same for **nursing parts** (for example i.m. Injections)
- **will split it later, after the structure of platform is done**

3. Full Timetable:

1. until Wednesday, **28th of May**, single Parts of PowerPointPresentation for Bochum, are done
2. until Friday, **30th of May**, every small topic will be done
3. until Sunday, **1st of June**, the outline and structure of the subtopic will be sent to HITA
4. until Tuesday, **3rd of June**, short report of the important current step concerning platform will be sent to HITA
